

Clinical Therapist Job Description

Job Overview:

We are seeking a compassionate Clinical Therapist who enjoys working with a team. The ideal candidate will deliver therapeutic services to women with substance abuse issues.

Responsibilities:

- Conduct individual and group therapy sessions tailored to meet the unique needs of each client.
- Provide ASI and ASAM evaluations.
- Interface with DHS, other referring agencies, and court services to provide comprehensive client services.
- Assist in maintaining program statistics, research information, and support development/grant-writing activities.
- Participate in ongoing training and professional development activities to enhance therapeutic skills.
- Collaborate with multidisciplinary teams to develop and implement comprehensive treatment plans.
- Maintain detailed and confidential client records in compliance with regulatory standards.

Experience:

- Master's degree in Counseling, Psychology, or a related field.
- Familiarity with conducting individual and group counseling sessions.
- Familiarity with conducting assessments, treatment planning, and outcome evaluation.
- Strong interpersonal skills and the ability to build rapport with diverse client populations.
- Previous experience is highly desirable but not required.
- Knowledge of techniques and their application in mental health treatment.

Job Type: Full-time

Benefits:

- Dental insurance
- Health insurance
- Life insurance
- Employee Assistance Program
- Paid time off
- Vision insurance

Schedule:

- Monday to Friday
- No weekends

Required Education:

- Master's Degree in counseling, psychology, or related field

Required License/Certification:

- LADC, LPC, LMFT, or LCSW or under supervision

Work Location:

In person

Resonance Center for Women

1608 S. Elwood Ave

Tulsa, OK 74119

If you are passionate about making a positive impact on individuals' mental well-being and possess the required skills and experience, we invite you to apply for this rewarding Clinical Therapist position.
