

**Job description:**

We are seeking a compassionate Clinical Therapist who enjoys working with a team. The ideal candidate will deliver therapeutic services to women with substance abuse issues.

**Duties:**

- Facilitate groups, provide individual counseling sessions, and perform other contract services as needed for Resonance therapeutic programs.
- Provide ASI and ASAM evaluations to clients.
- Interface with DHS, other referring agencies, and court services to provide comprehensive client services.
- Assist in maintaining program statistics, research information, and support development/grant-writing activities.
- Participate in ongoing training and professional development activities to enhance therapeutic skills.
- Collaborate with multidisciplinary teams to develop and implement comprehensive treatment plans.
- Maintain detailed and confidential client records in compliance with regulatory standards.

**Experience:**

- Master's degree in counseling, psychology, or a related field.
- Familiarity with conducting individual and group counseling sessions.
- Familiarity with conducting assessments, treatment planning, and outcome evaluation.
- Strong interpersonal skills and the ability to build rapport with diverse client populations.
- Previous experience is highly desirable but not required.
- Knowledge of techniques and their application in mental health treatment.

**Required License/Certification:**

- LADC, LPC, LMFT, or LCSW or under supervision.

If you are passionate about making a positive impact on individuals' mental well-being and possess the required skills and experience, we invite you to apply for this rewarding Clinical Therapist position.
